# **VOCATIONAL TRAINING FOR THE BOY**

Principal Stanton Before Methodist Brotherhood Makes That Bennett: a Lesson From Benjamin Franklin's Life-J. C. Morgan Tells of His 7 Pound Trout-Other Interesting Talks.

There was an enjoyable social for up to us to see that every boy learns the men and boys of Trinity M. E. church Monday evening in the Sunday school rooms, under the auspices of the Methodist brotherhood. The programme opened at 7.35 with an adgress of welcome by Elmer D. Kinsman, who interspersed his interesting romarks with bright stories. John C. Morgan found the heart of his audience when he told the story of 'How I Caught My Biggest Fish, to establish his veracity producing the content of the men and boys of Trinity M. E. T. Maxwell; delegate, Miss Grace West, alternates, Mrs. Thomas S. Childs, Mrs. R. It. Butler, Mrs. A. N. Beldug, Mrs. Walter H.Skinner and or stingy. When his business as sumed large proportions he did not try to crowd out the small business as man, but gave him a square deal, we must always give the other fellows a square deal, the little fellows a try to crowd out the small business as man, who interspersed his interesting romarks with bright stories. John C. Morgan found the heart of his audience when he told the story of 'How I Caught My Biggest Fish, to establish his veracity producing the creating man and seeking a land of freedom.

Franklin was always and carefully and saved money, but he was never mean or stingy. When his business as summed large proportions he did not try to crowd out the small business as man, who interspersed his interesting romarks with bright stories. John C. Morgan found the heart of his audience when he told the story of 'How I Caught My Biggest Fish, to establish his veracity producing the content of the story of the story of the man and seeking a land of try to crowd out the small business as man, who interspersed his interesting romarks with bright stories. John C. Morgan found the heart of his audience are the producing the story of the same and the summer of t

because he had learned his trade, that of a printer. Every man to the church today should do all in his power to encourage vecational training for the boys, especially in the schools. It is for the large number present.
